

## Price list

Photographs can be provided in two formats

- Photoquality Inkjet
- Professional photolab

The inkjet prints are long lasting high definition prints suitable for most uses, I regularly use this method to produce prints for entry into photographic competitions.

The photolab prints use photographic paper to produce the print as with photographic film, tend to have a better reproduction and are longer lasting.

## Inkjets

- A4 - £ 2.50 each
- A3 - £ 4.00 each

## Photolab

- 7.5" x 5" - £ 5.20 each
- 9" x 6" - £ 6.65 each
- 12" x 8" - £ 8.15 each
- 15" x 10" - £ 10.65 each
- 18" x 12" - £ 12.30 each

## Mounting

Either type of print can be provided mounted, with bevelled edge, suitable for framing. Please contact me with regard options and prices.

## Framing

All prints can be provided mounted and professionally framed. There are a tremendous range of frame styles available. Please contact me to discuss your requirements.

## Post and Packaging

Postage and packaging for all print orders is £1.50 If you are interested in a copy of any picture on this site please contact me by e-mail: [andrew@pilkophotography.co.uk](mailto:andrew@pilkophotography.co.uk), giving the event or gallery and picture reference, this appears in the bar above the picture when you have opened it from the thumbnail and is similar to Dsc\_1234. I will be back in touch to confirm the requirement and arrange payment/delivery. Generally inkjet prints can be turned round in 1 week and photolab within 2. However I always try to improve on this.
